Seat Boards

**Drake did it again...
a comfortable alternative
to the padded seats**

Good look, very low maintenance, Drake did it again, coming up with an alternative to PVC upholstered seats.

- no modification to the chair necessary
- pop out the old seat and snap in one of these colored seats
- available in white, black, green, red... you name it
- change the seat to match the event theme
- special contoured shape for superior comfort
- can be left out in any weather condition without becoming soggy like the vinyl covered foam pads
